We are in process. Some people go to church to find out how to be a better parent, spouse, friend or follower of Jesus. At Mercy Street, we've tried a bunch of different self-help strategies to make a change. In the end, we found our imperfections and failures to be the soil for real change. Don't take my word for it...

"Mercy Street has opened my heart, sanded down my rough spots, given me avenues to help others, surrounded me with love, told me of the life and love of God and Christ. I've never been to a church where the community is so loving and caring. Here, I have found my home." - Anonymous

Finding a home, a place where you belong is the best way to experience heaven as it is on earth. We all have a few rough spots that need sanding down!

Our 2020 stewardship theme is "Make A Change." With your financial generosity, we are working for hope and transformation across Houston. Nearly half our resources are invested in individuals who may never come to our worship service on a Saturday night, but they are looking for a community of Hope Dealers. They are looking to make a change in their lives.

We need your support. Join me in giving to the mission of Mercy Street. Go online www.mercystreet.org/Give to set-up automatic donations or make a one-time gift.

Loved you are,
Melissa
